Georgy I. Sharygin

*About the shift of argument in universal
enveloping algebra*

In this survey I am going to talk about the various approaches to the definition of the argument shift method on universal enveloping algebras of Lie algebras. I will describe existing constructions and related problems involved. The talk is based on our joint work with Yashushi Ikeda.

SCIENTIFIC SEMINAR
“DIFFERENTIAL GEOMETRY AND APPLICATIONS”

headed by Academician of RAS Anatoly T. Fomenko

The seminar takes place online in ZOOM on Mondays
from 4:45 p.m. to 6:20 p.m. (Moscow time)

The zoom-ref is provided only to registered persons

To be registered, ask any participant of our seminar to endorse you
Announcements of previous talks can be found on the seminar website
